

**45-2-6 Right of station to require submission of matter intended to be broadcast.**

Any person, firm, or corporation owning or operating a radio or television broadcasting station shall have the right, but shall not be compelled, to require the submission and permanent filing, in such station, of a copy of the complete address, script, or other form of expression, intended to be broadcast over such station before the time of the intended broadcast thereof.

Amended by Chapter 73, 1953 Special Session C
